BROADWAY COMEDY

NO. 4

"T O M A L E ' O"

The Scientific Editor of "The Daily Shriek" is assigned by the City Editor to investigate the Tomale, Mexico's famous product.

While journeying into Mexico he falls in love with Sweet Tomale - the daughter of Tomale, the Governor of the State of Tomale.

Sweet Tomale is also loved by Tough Tomale and many battles occur between Tough Tomale and the Scientific Editor.

Tough Tomale is accidentally knocked out and the Governor of Tomale believes the Scientific Editor accomplished this remarkable feat, and makes him a hero - giving a banquet in his honor, after which he takes him through the Tomale mines.

Tough Tomale in revenge for Sweet Tomale deserting him for the Scientific Editor, calls the Tomale Miners out on strike, and when the Governor and the Scientific Editor visit the mines, Tough Tomale dynamites the mines, blowing the Scientific Editor back into the United States.
